MAKE A DIFFERENCE IN THE WORLD

BECOME A MEMBER OF RAINBOW TURTLE

Support Renfrewshire's Fairtrade Charity
and join us in making the world fairer for all.

Rainbow Turtle is a Registered Scottish Charity, based in Renfrewshire since 2002

We are dedicated to promoting and supporting Fairtrade, ensuring that farmers, weavers, jewellers, particularly from the Global South, receive a fair and just price for their goods and have access to global markets.

The Fairtrade movement has been active for over 50 years. It has been highlighting the problems that the global economy brings to workers across the world, but especially in the Global South. Renfrewshire has been a leader in highlighting and promoting Fairtrade. Rainbow Turtle was set up 24 years ago to educate about Fairtrade and global economics. Rainbow Turtle has helped Renfrewshire be a Fairtrade community and Scotland to be a Fairtrade Nation.

Help us help workers and their families live with dignity and receive a safe, fair wage.

Rainbow Turtle fair trade

Rainbow Turtle, with support from Renfrewshire Council grants, employs an Education Officer who works within schools, community and faith groups. We want to ensure that children and young people particularly, are informed about the origins of their food, the benefits of fairly traded produce and develop the knowledge and understanding to be responsible, global citizens.

The charity has an office in Methodist Halls above the shop in Gauze St. (The Methodist Church has supported us since our inception.) However, most of our work takes place in the community, schools, churches and other community groups.

By becoming a Member of Rainbow Turtle:

- We will keep you connected with local, national and global development in Fairtrade
- We will invite you to participate in the work of the charity, attend our AGM, and keep you informed about new Fairtrade products
- Membership is free but you can choose to make a one-off or regular payment and be a donating Member
- We will offer you a 5% discount on purchases from the Rainbow Turtle shop
- Donations of £5 or more per month (or £60 per annum) will enter you into our Christmas and Easter prize draws.

HOW TO BECOME A MEMBER OF RAINBOW TURTLE

There is no membership fee for becoming a Member, however we would really welcome a regular donation and this will allow us to continue our valued work in education. It can also allow us to directly support farmers and producers. By becoming a donating Member you will also be entered into our Easter and Xmas prize draws.

Organisations in Renfrewshire, such as churches or community groups, can also become Members of Rainbow Turtle.

Please complete the attached application form

Your name (Required)

Your address line 1 (Required)

Your address line 2

Your town (Required)

Your post code (Required)

Your phone number (Required)

Your email (Required)

Date of application (Required)
